

### REMARKS

In the Action, the Examiner restricted the 29 claims into four groups of invention. Group I consists of claims 1-15 and 22. Group II consists of claims 16-17. Group III consists of claims 18-21 and 23-26. Group IV consists of claims 27-29.

Applicant hereby elects Group I for further prosecution in the present application. Applicant hereby cancels the claims of the other Groups without disclaimer or prejudice to pursue those claims in one or more patent applications.

### CONCLUSION

Applicant believes it has comply with the Office's restriction requirement. Applicant respectfully requests that the present application proceed to prosecution on the merits.

Respectfully submitted,

---
